

## **The society clothing committee member responsibility.**

The society is proud of its heritage and to that aim it maintains a standard when playing at the various golf clubs, we therefore have a selection of SSGS logoed items to assist in maintaining this image.

The role of the clothing committee member is to control this stock and carry a selection to each meeting for purchase.

Check for any web site sales and ensure clothing is ready to collect at the next meeting.

To keep a record of all purchases and sales and produce a final account to the treasurer and the end of the season.

It is also the responsibility to purchase the SSGS golf balls and whisky glasses and have them ready for the beginning of the season, and to liaise with the competition secretary to ensure the correct requirement for each event.

### **SSGS Stock control Role.**

- Maintain and store a stock level, and purchase items when needed.
- Ensure sufficient stock ready for the start of the season.
- Keep a record of sales and current stock level and produce an end of season account.
